Announcement 1327

## **Update for All Providers Regarding the New 2017 CPT, HCPCS and ADA Codes**

Update to [Web Announcement 1294](#): Effective March 20, 2017, rates and prior authorization (PA) requirements for the new 2017 CPT, HCPCS and ADA codes have been updated in the Medicaid Management Information System (MMIS). Providers are reminded to use the appropriate 2017 codes, when applicable, on claims with dates of service on or after January 1, 2017. Claims for the new 2017 codes with dates of service on or after January 1, 2017, and before March 20, 2017, that denied with edit codes 0210 (No fees found on file) and/or 0309 (Services not covered) and/or 0148 (Rendering provider is not certified to perform procedure) because the rates and PA requirements were not updated for the new covered codes in MMIS will be automatically reprocessed with no further action required by providers. A future web announcement will notify providers when claims will be reprocessed.
